The [Persona](#) 5 Wiki Strategy Guide features a complete [Walkthrough](#) for every story mission, general gameplay tips and tricks, as well as guides for [Confidants](#), [Mementos and Requests](#), [Weekly and Daily activities](#), and so much more. [Persona](#) 5 is available on PlayStation 3 and PlayStation 4 and was first released in Japan on [September 15](#), 2016 and later in the US on [April](#) 4, 2017.

There is a spirit of rebellion in every soul. [Persona](#) 5 is the pursuit of that rebel spirit. Take on the corruption, hostilities, and evil ways of society as the [Phantom Thieves](#) of Heart and help reform it into a better world.

[Persona](#) 5 is an action RPG based in real-world Tokyo, though the events and [characters](#) are all fictitious. While balancing school life and social life, you also much face the dark, distorted desires of societal figures to help their vulnerable victims.
